SUPPLEMENTAL AMENDMENT

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

IN THE SPECIFICATION

Please substitute the attached substitute specification for the original specification.

REMARKS

Further to the Amendment filed May 21, 2003, as requested by the Examiner, the Applicants now provide a revised copy of the specification. The specification has been revised for clarity, for instance, it has been editorially amended to correct minor grammatical errors and has been amended to add section headings. A cross-reference to related applications and a reference to the sequence listing have been added. The Brief Description of the Drawings section has been removed from page 10 of the revised specification and now appears on page 4 of the revision immediately after the Brief Summary of the Invention as

-I-

preferred by the Patent and Trademark Office. For completeness, original Claims 1-4 also appear in the revision, however, it is noted that these claims have been subsequently cancelled. The Applicants do not believe that any new matter has been added. Entry of the revised specification is respectfully requested.

Respectfully submitted,
